1. [redacted] In response to his question of yesterday requesting an appearance by the Director before the Senate Foreign Relations Committee, I advised Mr. Pat Holt, of the Committee staff, that the Director has travel plans and that I could make no commitment at this time. I assured Holt, however, that we would be in touch with him further as soon as possible.

I advised Mrs. Watkins that we had received a letter from [redacted] asking that we get in touch with him, but in view of our conversations with the Congressman's office, felt his correspondence had overtaken [redacted] and we did not plan to respond to [redacted] letter in view of an imminent response from the Congressman. Mrs. Watkins said they had contacted the Department of the Army and she would let me know the results of that inquiry.

3. [redacted] Miss Comfort, in the office of Representative Ed Foreman, called and said they had received an inquiry from a constituent who said he understood the Government was interested in obtaining F-51D fighter aircraft for use in Viet Nam. She said their constituent has fifteen of these aircraft in top condition which he is ready to make available to the Government. She said she has been in touch with the Army and Air Force who are looking into the matter. She said she thought it was probably ridiculous to contact us on this but nevertheless would appreciate our looking into it.
